HEALTH & SAFETY

We want to ensure your child a safe and positive environment during their time at camp. Campers are expected to abide by the camp rules and live by our core values. HEALTH FORMS

Every camper must have the attached health history and release form filled out in order to attend camp. Please upload your health forms to your active.com account before the start of camp and bring in a copy with you to check in.

*A physician's signature is required on this form ONLY if you are attending a camp in CT, MA or NY. An attached physicians signed physical form from within two years will suffice but we ask you to attach it to our form below as there is a parents waiver and health insurance questions we need filled out. Camps in CT require the 'Administration of Medication' form for any medication brought to camp--this form can be found on VBCamper.com.

CELL PHONE POLICY

Use of phones is not permitted during the instructional blocks of camp, including on-field and classroom sessions. We feel this will minimize distractions to the learning environment, help maintain an inclusive atmosphere and alleviate potential problems that can detract from the overall experience for everyone.

Phone use will be allowed during in the mornings prior to morning session, at lunch, and for overnight camps before and after the evening session. We will still encourage players to minimize their time on devices in order to interact and engage with other campers, but understand they might want the chance to call home, text friends, etc.

Below is a list of items to bring to camp. We suggest that campers do not bring expensive personal items such as cameras, iPods/iPads, etc. Please label every article you bring to camp. All items will be the responsibility of the camper.
